

Introduction:

I want to say a big Thank You for picking up my models, I hope you will enjoy them as much as I do!

Build Notes:

I greatly recommend using Superglue Gel and put a bead of it along edges and holding the part in place for 5-10 seconds until the glue starts to set, this is the quickest and easiest way to build my starships. I also recommend using a Glue Stick, or I use a Wrinkle Free Glue Stick, for the sandwich style folds!
